

SPEED VARTA

Annual Report of Skills, Personality, Entrepreneurship and Employability Development Cell

No. 01 e-version available on: www.gatiskills.com April 2016 - March 2017

“SPEED” cell was formally inaugurated on 11th February 2016. The activities geared up in the financial year 2016-17. The cell is an initiative of GATI to foster and enhance the employability of the students undergoing professional courses. The initiative is based on the philosophy that **placement is just not limited to getting jobs.** It is a wide spectrum which also covers entrepreneurship and higher studies, apart from jobs. In the year 2016-17, lots of activities were conducted as a part of SPEED cell. These include career seminars, technical & behavioral workshops and expert lectures. The summary is as follows:

SPEED CELL TRAINING SUMMARY	
ACTIVITY	NO. OF TRAINEES
Employability Enhancement Workshops	808
Employability awareness seminars	1,254
Entrepreneurship Workshops	456
Career seminars	50
Automation Engg Program (AEP)	30
TOTAL	2,598

Industry – Institute Initiatives in the Maharashtra Public Universities Act 2016

An interaction with Prin. Anil Rao on the provisions and scope for Industry – Institute Interaction (III) in the new Maharashtra Public Universities Act 2016 was organised on 27th December 2016, to celebrate the fourth foundation day of GATI. Around 70 invitees from academia, government & corporate sector attended and interacted with Prin. Anil Rao. Similar programme was arranged jointly with “Association of Un-Aided engineering

colleges” for Nashik District. Principals and Directors from various colleges attended this event. The programme was organised on 17th January 2017 at the association’s office, situated in K. K. Wagh Engg College campus, Nashik. Shri. Balasaheb Wagh (President of Association), Shri. A. V. Pawar (Jt. Director, Technical Education Regional Office, Nashik), Prof. (Dr.) K. N. Nandurkar (Principal, K. K. Wagh Engg College) graced this event.
